

**NATIONAL EXECUTIVE ELECTIONS  
2012 TO 2014**

Vote for a moderate, sensible candidate wanting our Union to do more for all teachers.

# **Vote John Pemberthy for the Executive**

If elected I would fight for:

- Educational leadership driven by those who know best – classroom teachers and middle management
- Preserving teachers' right to exercise professional judgement
- Protecting teachers' pensions
- National pay and conditions in all schools
- Negotiation of fair employment policies
- A reasonable workload with greater emphasis on teacher assessment and judgement

**Supported by Worcestershire, Herefordshire  
and Gloucestershire Associations**

Vote for effective leadership - in tune with the membership - responding to the needs of all teachers
