

NUT Member Services

Teachers Group is the NUT's only authorised provider of financial advice for members.

At Teachers we've been providing financial advice and information to the education profession since 1877. Our mission is to tell teachers exactly what they need to know so that they can make informed, educated decisions about their financial future.

Information and Advice

Teachers can help with a range of information and advice to help you plan a secure financial future:

- Making the most of your pension - how to ensure you have enough income in retirement
- How to safeguard your family against financial hardship
- Saving for the future in the most tax-efficient way possible
- Minimising the effect of inheritance tax
- Investing wisely to provide an income or capital growth
- Competitively priced buildings, contents and travel insurance
- Funding your child's university education
